

ACKNOWLEDGEMENT

I take this opportunity to acknowledge the sincere efforts of so many who made my training at National Fertilizers Limited, Vijaipur successful. It gives me immense pleasure. Thanks to Ms Snehgda ma'am who accepted my request for an internship training in this esteemed organization.

My sincere thanks to Shri S.K.Jena sir, Shri Durga sir and Anchal Bajpai sir further. I am very grateful to various officers in the Human Resource Department in ADM building for their help in every aspect of my learning process.

My parents, teachers, family and friends are my source of motivation and inspiration and I am thankful for their encouragement to take up this industrial training. It would probably not have been possible for me to complete training without their support.
